Sir,

This has reference to your proposal No.IA/KA/IND2/75276/2018 dated 8th January, 2019 for environmental clearance to the project for manufacturing bulk drugs and active pharmaceutical ingredients (APIs) along with R&D facility by M/s Shilpa Medicare Limited at Deosugar Industrial Area, Taluka and District Raichur (Karnataka), as per the provisions of Ministry's Notification S.O.804 (E) dated 14th March, 2017.

2. The Ministry has issued a Notification vide S.O.804 (E) dated 14th March, 2017 for appraisal of projects for grant of terms of reference/environmental clearance, which have started the work on site, expanded the production beyond the limit of environmental clearance, or changed the product mix without obtaining prior environmental clearance under the EIA Notification, 2006.
3. As per the above said Notification, in cases of violation, action is to be taken against the project proponent by the respective State Government or the State Pollution Control Board under the provisions of the Environment (Protection) Act, 1986 and further, no consent to operate or occupancy certificate to be issued till the project is granted environmental clearance.
4. The project/activity is covered under category B of item 5(f) 'All Synthetic organic chemicals industry' of the Schedule to the Environmental Impact Assessment (EIA) Notification, 2006, and requires appraisal at the State level by the concerned SEAC/SEIAA. However, due to applicability of general condition i.e. Interstate boundary is within 5 km, the proposal was appraised at central level by the sectoral EAC in the Ministry.
5. Terms of Reference for the project was granted on 14th June, 2018. Public hearing for the project was conducted by the SPCB on 13th November, 2018.
6. The proposal for environmental clearance was considered by the Expert Appraisal Committee (EAC) for projects relating to violation of the EIA Notification, 2006, in terms of the provisions of the Ministry's Notification dated 14th March, 2017, in its meetings held on 25-26 February, 2019, 15-16 April, 2019 and 22 -24 July, 2019 in the Ministry. The Committee has recommended the proposal for environmental clearance subject to compliance of certain conditions, including the following:

- (i) An amount of Rs.234.5 Lakhs towards remediation plan and natural and community resource augmentation plan.
- (ii) The project proponent shall be required to submit a bank guarantee of an amount of Rs.234.5 Lakhs towards Remediation plan and Natural and Community Resource Augmentation plan with the SPCB prior to the grant of EC
- (iii) The bank guarantee shall be released after successful implementation of the EMP, followed by recommendations of the EAC and approval of the regulatory authority.

7. As per the provisions contained therein the Ministry's Notification dated 14th March, 2017, the project proponent is required to submit a bank guarantee equivalent to the amount of remediation plan and natural and community resource augmentation plan with the State Pollution Control Board and the quantification will be recommended by EAC and finalized by Regulatory Authority and the bank guarantee shall be deposited prior to the grant of EC and will be released after successful implementation of the remediation plan and Natural and Community Resource Augmentation Plan, and after the recommendation by Regional Office of the Ministry, Expert Appraisal Committee and approval of the Regulatory Authority. Further, it is requested to submit proof of credible action under the provisions of section 19 of Environment (Protection) Act, 1986 regarding violation of the provisions of EIA Notification, 2006.

8. Based on the recommendations of the EAC and as per the Notification dated 14th March, 2017, the Ministry has now asked the project proponent to submit a bank guarantee of Rs.234.5 Lakhs with the State Pollution Control Board and proof of credible action u/s 19 of E(P) Act, 1986 for consideration of their project for environmental clearance.

9. It is requested that the Ministry may be intimated regarding receipt of bank guarantee of Rs.234.5 Lakhs by the SPCB from M/s Indian Oil Corporation Limited (IOCL). The bank guarantee shall be released after successful implementation of the remediation plan and natural and community resource augmentation plan, and after the recommendation by Regional Office of the Ministry, Expert Appraisal Committee and approval of the Regulatory Authority.

10. This issues with approval of the competent authority.

24.3.3.3	Observations and recommendations in the 19th EAC held on 25th -26th Feb 2019: The EAC, after detailed deliberations on the proposal in terms of the provisions of the MoEF&CC Notification dated 14th March, 2017, recommended to defer the proposal for want of following information from project proponent: - The project EIA report needs revision and is required to be submitted by incorporating calculation for dust emitted in construction phase and the potential damage it has caused without control measures in place on ecology and surrounding area. The dust also likely to be generated from the nearby Thermal Power plant during that phase be taken into account while assessing cumulative impact. While calculating damage assessment rework for water utilization without permission and not constructing rainwater harvesting structures to be considered. - Revised budget for environment damage to be submitted. The PP while making presentation mentioned about VOCs concentration of 1.5 PPM. In view of this high concentration non-point emission of VOCs be calculated. - Looking at the inventory of solvent, fire hazard scenario in cases of fire and emergency preparedness plan, damage distance for toxicity in case of non fire hazard scenario along with risk mitigation plan along with Standard Operating Procedure is to be submitted. - CER action plan along with the revised budget is to be submitted. - Revised EMP capital cost and recurring cost to be submitted. - Copy of health certificate issued by the primary health centre is to be submitted. - Based on rainfall details, details on rain water harvesting pits already constructed and to be constructed is to be submitted. - MoU between PP and TSDF is to be submitted. - Revised green belt plan (33%) is to be submitted. - Declaration of revised Capital cost of the project to be submitted. - Sanctioned copy of water source from KSDP is to be submitted. - The PP has to submit the proof of credible action taken by the concerned state government/ state pollution control board under the provisions of the section 19 of the Environment Protection Act 1986.
24.3.3.4	Observations and recommendations in the 21st EAC held on 15th-16th April, 2019: The EAC, after detailed deliberations on the additional information sought in the 19th EAC held on 25th -26th Feb 2019 and documents submitted, recommended to defer the proposal for want of following information from project proponent: - Risk assessment using 3 D modeling is to be done and same to be submitted. - Credible proof for the activities and amount spent under CSR is to be submitted. - Justification for the bulk storage of organic solvent shall be submitted.

Sub: Manufacturing bulk drugs and active pharmaceutical ingredients (APIs) along with R&D facility by M/s Shilpa Medicare Limited at Deosugar Industrial Area, Taluka and District Raichur (Karnataka) - Environmental Clearance - reg.

Sir,

This has reference to your proposal No.IA/KA/IND2/75276/2018 dated 8th January, 2019 for environmental clearance to the project for manufacturing bulk drugs and active pharmaceutical ingredients (APIs) along with R&D facility by M/s Shilpa Medicare Limited at Deosugar Industrial Area, Taluka and District Raichur (Karnataka), as per the provisions of Ministry's Notification S.O.804 (E) dated 14th March, 2017.

2. The said Notification provides for appraisal of projects for grant of terms of reference/environmental clearance, which have started the work on site, expanded the production beyond the limit of environmental clearance, or changed the product mix without obtaining prior environmental clearance under the EIA Notification, 2006.

3. Existing land area is 95,975.34 m². Industry has already developed / will develop greenbelt in an area of 33 % i.e. 33,591.25 m² (i.e. 35%) out of total area of the project. The estimated project cost is Rs.130.3851 crores. Total capital cost earmarked towards environmental pollution control measures is Rs.2.764 crores and the recurring cost (operation and maintenance) will be about Rs.2.88 crores per annum. Total employment will be 150 Persons as direct & 200 persons indirect. The details of products are as under:-

4. There are no national parks, wildlife sanctuaries, Biosphere Reserves, Tiger/Elephant Reserves, Wildlife Corridors etc. within 10 km distance from the project site. River Krishna is flowing at a distance of 4.22 km in northern direction.

5. Total water requirement is 56 m³/day of which fresh water requirement of 56 m³/day will be met from KIADB (Krishna River). Effluent of 26 KLD quantity will be treated through Effluent Treatment Plant of Unit II. The plant will be based on Zero Liquid discharge system.

Power requirement is 1800 KVA and will be met from Gulbarga Electricity Supply Company, a branch of Karnataka State Power Distribution Corporation Limited (KPTCL). Existing unit has two DG sets of 325 kVA capacity and are used as standby during power failure. Stack (height 5 m ARL is provided for existing DG sets).

Existing unit has two 4 TPH coal or briquette fired boiler. Multi cyclone separator (2 nos) with a stack of height of 30 m AGL is installed for controlling the particulate emissions within the statutory limit of 115 mg/Nm³ for the proposed boilers.

6. The project/activity is covered under category B of item 5(f) 'All Synthetic organic chemicals industry' of the Schedule to the Environmental Impact Assessment (EIA) Notification, 2006, and requires appraisal at the State level by the concerned SEAC/SEIAA. However, due to applicability of general condition i.e. Interstate boundary is within 5 km, the proposal was appraised at central level by the sectoral EAC in the Ministry.

7. Terms of Reference for the project was granted on 14th June, 2018. Public hearing for the project was conducted by the SPCB on 13th November, 2018.

8. The proposal for environmental clearance was considered by the Expert Appraisal Committee (EAC) for projects related to violation of EIA Notification, 2006 in its meetings held on 25-26 February, 2019, 15-16 April, 2019 and 22 -24 July, 2019 in the Ministry. The project proponent and their consultant M/s ABC Techno Labs India Pvt Ltd presented the EIA/EMP report as per the ToR. The committee found the

EIA/EMP report satisfactory and in consonance with the ToR, and recommended the proposal for environmental clearance with certain conditions in terms of the provisions of the Ministry's Notification dated 14th March, 2017.

9. Based on recommendations of the EAC and finalization/approval of the bank guarantee for an amount of Rs. 234.5 Lakhs by the competent authority, towards Remediation Plan and Natural and Community Resource Augmentation Plan, the project proponent has submitted the desired bank guarantee with the Karnataka State Pollution Control Board. The KSPCB vide letter No.PCB/053/HPI/2017-18/4734 dated 30th November, 2019 has informed the Ministry regarding receipt of the bank guarantee dated 21st November, 2019 which is valid upto 20th November, 2024.

10. Considering the proposal submitted by the project proponent, recommendations of the EAC (Industry-2) and submission of the desired bank guarantee, the Ministry of Environment, Forest and Climate Change hereby accords environmental clearance to the project for manufacturing bulk drugs and active pharmaceutical ingredients (APIs) along with R&D facility by M/s Shilpa Medicare Limited at Deosugar Industrial Area, Taluka and District Raichur (Karnataka), under the provisions of the EIA Notification, 2006 and the amendments made therein read with Ministry's Notification dated 14th March, 2017, subject to the compliance of terms and conditions, as under:-

(i) EAC recommended for an amount of **Rs 234.5 Lakhs** towards Remediation plan and Natural and Community Resource Augmentation plan to be spend within a span of three years. The details are given below:

11. The grant of environmental clearance is subject to compliance of other general conditions, as under:-

- (i) The project authorities shall adhere to the stipulations made by the State Pollution Control Board, Central Pollution Control Board, State Government and any other statutory authority.
- (ii) No further expansion or modifications in the plant shall be carried out without prior approval of the Ministry of Environment, Forest and Climate Change. In case of deviations or alterations in the project proposal from those submitted to this Ministry for clearance, a fresh reference shall be made to the Ministry to assess the adequacy of conditions imposed and to add additional environmental protection measures required, if any.
- (iii) The locations of ambient air quality monitoring stations shall be decided in consultation with the State Pollution Control Board (SPCB) and it shall be ensured that at least one station each is installed in the upwind and downwind direction as well as where maximum ground level concentrations are anticipated.
- (iv) The National Ambient Air Quality Emission Standards issued by the Ministry vide G.S.R. No. 826(E) dated 16th November, 2009 shall be followed.

(v) The overall noise levels in and around the plant area shall be kept well within the standards by providing noise control measures including acoustic hoods, silencers, enclosures etc. on all sources of noise generation. The ambient noise levels shall conform to the standards prescribed under Environment (Protection) Act, 1986 Rules, 1989 viz. 75 dBA (day time) and 70 dBA (night time).

(vi) The Company shall harvest rainwater from the roof tops of the buildings and storm water drains to recharge the ground water and use the same water for the process activities of the project to conserve fresh water.

(vii) Training shall be imparted to all employees on safety and health aspects of chemicals handling. Pre-employment and routine periodical medical examinations for all employees shall be undertaken on regular basis. Training to all employees on handling of chemicals shall be imparted.

(viii) The company shall also comply with all the environmental protection measures and safeguards proposed in the documents submitted to the Ministry. All the recommendations made in the EIA/EMP in respect of environmental management, and risk mitigation measures relating to the project shall be implemented.

(ix) The company shall undertake all relevant measures for improving the socio-economic conditions of the surrounding area. ESC activities shall be undertaken by involving local villages and administration.

(x) The company shall undertake eco-developmental measures including community welfare measures in the project area for the overall improvement of the environment.

(xi) A separate Environmental Management Cell equipped with full fledged laboratory facilities shall be set up to carry out the Environmental Management and Monitoring functions.

(xii) The company shall earmark sufficient funds towards capital cost and recurring cost per annum to implement the conditions stipulated by the Ministry of Environment, Forest and Climate Change as well as the State Government along with the implementation schedule for all the conditions stipulated herein. The funds so earmarked for environment management/ pollution control measures shall not be diverted for any other purpose.

(xiii) A copy of the clearance letter shall be sent by the project proponent to concerned Panchayat, Zilla Parishad/Municipal Corporation, Urban local Body and the local NGO, if any, from whom suggestions/ representations, if any, were received while processing the proposal.

(xiv) The project proponent shall also submit six monthly reports on the status of compliance of the stipulated Environmental Clearance conditions including results of monitored data (both in hard copies as well as by e-mail) to the respective Regional Office of MoEF&CC, the respective Zonal Office of CPCB and SPCB. A copy of Environmental Clearance and six monthly compliance status report shall be posted on the website of the company.

(xv) The environmental statement for each financial year ending 31st March in Form V as is mandated shall be submitted to the concerned State Pollution Control

Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently, shall also be put on the website of the company along with the status of compliance of environmental clearance conditions and shall also be sent to the respective Regional Offices of MoEF&CC by e-mail.

(xvi) The project proponent shall inform the public that the project has been accorded environmental clearance by the Ministry and copies of the clearance letter are available with the SPCB/Committee and may also be seen at Website of the Ministry at <http://moef.nic.in>. This shall be advertised within seven days from the date of issue of the clearance letter, at least in two local newspapers that are widely circulated in the region of which one shall be in the vernacular language of the locality concerned and a copy of the same shall be forwarded to the concerned Regional Office of the Ministry.

(xvii) The project authorities shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities and the date of start of the project.

12. The Ministry reserves the right to stipulate additional conditions, if found necessary at subsequent stages and the project proponent shall implement all the said conditions in a time bound manner. The Ministry may revoke or suspend the environmental clearance, if implementation of any of the above conditions is not found satisfactory.

13. Concealing factual data or submission of false/fabricated data and failure to comply with any of the conditions mentioned above may result in withdrawal of this clearance and attract action under the provisions of Environment (Protection) Act, 1986.

14. Any appeal against this environmental clearance shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.

15. The above conditions will be enforced, inter-alia under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, the Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 read with subsequent amendments therein.

16. This issues with the approval of the competent authority.

Release of Bank Guarantee against the Completion of 'Remediation Plan and a Natural and Community Resource Augmentation Plan' located at Raichur, Karnataka by M/s. Shilpa Pharma Lifesciences Limited – Release of Bank Guarantee

[Proposal No.: IA/KA/IND2/75276/2018, File No: F. No. J-11011/191/2017-IA-II (I)]

1. M/s. Shilpa Pharma Lifesciences Limited (formerly known as Shilpa Medicare Limited, Unit I) has obtained Environmental Clearance under the 'violation' category from the MoEF&CC vide F. No. J-11011/191/2017-IA-II (I) dated 13.12.2019, as per the EIA Notification 2006, Amendment in Notification No. S.O. 804 (E) dated 14th March 2017.
2. In the EC, a condition is stipulated to carry out a 'Remediation Plan and a Natural and Community Resource Augmentation Plan' for an amount of Rs. 234.5 Lakhs and to submit a bank guarantee of Rs. 234.5 Lakhs with the SPCB prior to the grant of EC.
3. Accordingly, M/s. Shilpa Pharma Lifesciences Limited submitted a Bank Guarantee equivalent to the amount of Rs. 234.5 Lakhs, bearing No. 425PGE193260003, issued by Canara Bank, Raichur, in favour of the Member Secretary, KSPCB, for the grant of Environmental Clearance from the MoEF&CC.
4. The obligation to carry out the Remediation Measures and Natural and Community Resource Augmentation for a value of Rs. 234.5 Lakhs has been completed as per the EC condition.
5. The IRO, MoEF & CC, Bangalore, visited the industry on 22 January 2025 to verify compliance and issued a Site Inspection Report to MoEF&CC on 01.03.2025.
6. The proposal was considered by the EAC to appraise the activities conducted by the PP under condition namely "Remediation Measures and Natural and Community Resource Augmentation for a value of Rs. 234.5 Lakhs".
7. **The proposal was earlier considered by the Expert Appraisal Committee (Industry-3) in its 101st meeting held on 23rd May 2025 wherein it was deferred for want of following additional information:**
 - i. The committee suggested to provide the details of activities undertaken in a tabular form highlighting details in column such as activities; size; action taken; location; coordinates of sites; budget; expenditure incurred; date/month/year; agency involved.
 - ii. PP shall also submit an undertaking stating that the greenbelt shall be maintained till it become mature.
8. PP vide email dated 02.12.2025 submitted desired ADS reply. Subsequently, the project proposal was considered by the Expert Appraisal Committee (Industry-3) in its 122nd meeting held on 12.02.2026 wherein the Project Proponent and the accredited Consultant M/s. Samrakshan, Bangalore (NABET Certificate No. NABET/EIA/25-28/RA 0410, valid up to 26th July 2028), made a detailed presentation on the salient features of the project and informed that:

9. Deliberations by the EAC:

The following points were discussed in the meeting:

- i. PP informed that M/s Shilpa Pharma Lifesciences Limited (formerly known as Shilpa Medicare Limited Unit I) is operating since 1989 with consents from Karnataka State Pollution Control Board (KSPCB) for the manufacture of API's and Intermediates.
- ii. PP vide online portal – XGN on 21-04-2016 made application to KSPCB for renewal of CTO. Further, KSPCB issued a letter dated 15-09-2016, informing PP, to obtain EC for all products for which the CTO was sought and KSPCB issued letter No. PCB/053/HPI/2016-17/5966 dated 18-01-2017.
- iii. Further PP obtained EC from MoEF&CC vide F. No. J-11011/191/2017-IA-II (I) dated 13.12.2019 for manufacturing Bulk Drugs and Active Pharmaceutical Ingredients (APIs) along with R&D facility, under the violation category as per the EIA Notification 2006, Amendment in Notification No. S.O. 804 (E) dated 14th March 2017. Accordingly, M/s. Shilpa Pharma Lifesciences Limited is now operating with Consent to Operate from KSPCB vide CTO No. AWH-319207 dated 23/07/2020.
- iv. Again, PP obtained EC from MoEF&CC vide F. No. IA-J-11011/300/2020-IA- II(I) dated 05.01.2021 for the expansion and modification of a Bulk Drugs, Active Pharmaceutical Ingredients (APIs) manufacturing industry with an R&D facility. The project obtained the Consent to Establish from KSPCB vide CTE-332152 dated 07.07.2022. However, the Construction work is under progress.
- v. MoEF&CC accorded EC transfer vide File No. IA-J-11011/300/2020-IA-II(I) dated 07.07.2022 for Transfer of Environmental Clearances from M/s. Shilpa Medicare Limited (Unit I) to M/s. Shilpa Pharma Lifesciences Limited.
