## INDEPENDENT AUDITOR'S REPORT

To the Members  
Sravathi Advance Process Technologies Private Limited

### Report on the Audit of the financial statements

#### Opinion

We have audited the financial statements of Sravathi Advance Process Technologies Private Limited ("the Company"), which comprise the balance sheet as at 31<sup>st</sup> March 2024, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its losses, total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

**Information Other than the financial statements and Auditor's Report**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report but does not include the financial statements and our auditor's report thereon, and the remaining sections of the Company's Annual Report, which are expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the financial statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

### **Materiality**

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

### **Report on Other Legal and Regulatory Requirements**

As per the information and explanation given to us the Company meets the exemption criteria prescribed under clause 2(v) of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, statement on the matters specified in paragraphs 3 and 4 of the Order, is not applicable to it.

1. As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2(f) below on reporting under rule 11(g);
  - c) The Balance Sheet, the Statement of Profit and Loss (Incl. other comprehensive income), the Statement of Cash Flows and the Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) Since the Company's turnover as per the last audited financial statements is less than Rs.50 Crores and its borrowing from banks or financial institutions or any Body Corporate at any time during the year is less than Rs.25 Crores, the Company is exempted from getting report of the auditor with respect to existence of internal financial controls with reference to financial statements of the company and its operating effectiveness of such controls vide notification dated 13<sup>th</sup> June 2017.
  - g) Matter to be included in the Auditors' Report under Section 197(16) is applicable only to a public limited Company and not to a private limited company. Hence, it is not applicable to the company.

2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a) The Company does not have any pending litigations which would impact its financial position.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
- d) (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
  
(ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and  
  
(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- e) The company has neither declared nor paid any dividend during the year.
- f) Based on our examination, which included test checks, and relying on the representations / explanations from the Company, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all the relevant transactions recorded.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

# NOTES FORMING PART OF FINANCIAL STATEMENTS

## 1. Company Overview

Slravathi Advance Process Technologies Private Limited was incorporated in FY 2018-19. Company Corporate office has been shifted from 1<sup>st</sup> Floor & Unit-1 R&D is located at 2<sup>nd</sup> & 3<sup>rd</sup> Floor, No. 113/40, Industrial Town, Rajajinagar in Bengaluru to Plot No.63B, Bommasandra Industrial Estate, Attibele Hobli Taluk, Bangalore South, Bengaluru with a built-up facility of about 7000 sq.ft for office & 18000 sq.ft for R&D and can embrace total strength of 50+ employees. Global Advanced process Innovator with Competitive Advantage in Pharmaceuticals, fine chemicals, high value chemicals, petrochemicals, agro chemicals, flavors and fragrances. Having 3 technocrats each having more than two decades of global experience and expertise gained from world reputed multinational companies. The company is MSME, which provides advanced differentiated process technologies, research and development support for Slravathi's businesses.

Slravathi's aim is to contribute to the enhancement of quality of life through creation of innovative advanced technologies using state-of-art techniques such as Artificial Intelligence and Process Intensification and through the provision of pharmaceuticals and other chemicals addressing diverse needs of people.

Slravathi is a dynamic organization with a blend of employees with varied backgrounds, experience levels, expertise & competencies in different scientific fields. We have doctorates in science and engineering with applied research experience in respective fields and young graduates and postgraduates with an attitude to achieve excellence. Our multi-disciplinary skills in Research and development include capabilities in:

1. Advanced Synthetic Chemistry - Lab scale from grams to kilograms scale.
2. Process development and Process Intensification – Lab Screening modules and Bench Scale Modules.
3. Data Sciences and Predictive Chemistry.
4. Analytical chemistry.

Our highly experienced multi-disciplinary teams ensure development of novel advanced differentiated process intensification technologies from reaction section to downstream section, scalability, CDP, BEP and support in building scale-up facilities.

Shilpa Medicare Limited holding the Equity Share by 65% in SRAVATHI.

## 2. Basis of Preparation of Financial Statements

### a) Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act 2013 read together with the Rule 4 of Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) Amendment Rules, 2016 to the extent applicable and the other relevant provisions of the Act, pronouncements of the regulatory bodies applicable to the Company.

These financial statements have been prepared for the Company as a going concern on the basis of relevant Ind AS that are effective at the Company's annual reporting

date, March 31, 2024. The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements of the Company for the year ended March 31, 2024 were approved by the Board of Directors on May 22, 2024.

**b) Basis of Measurement**

The financial statements have been prepared on the historical cost basis ((i.e., on accrual basis), except for the following assets and liabilities which have been measured at fair value, wherever applicable.

- Derivative financial instruments
- Certain financial assets / liability measured at fair value.
- Defined Benefit Plan's at fair value less present value of defined obligations.

**c) Functional and presentation currency**

The financial statements are presented in Indian Rupees which is the functional currency for the Company. All amounts have been rounded-off to the nearest lakhs unless otherwise stated.

**d) Current non-current classification**

The assets and liabilities in the balance sheet are presented based on current/non-current classification.

*An asset is current when it satisfies the below mentioned criteria :*

- (i) Expected to be realised or intended to be sold or consumed in normal operating cycle, or
- (ii) Held primarily for the purpose of trading, or
- (iii) Expected to be realised within twelve months after the reporting period, or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for atleast twelve months after the reporting period.

All other assets are classified as non-current assets.

*A liability is current when it satisfies the below mentioned criteria :*

- (i) Expected to be settled in normal operating cycle, or
- (ii) Held primarily for the purpose of trading, or
- (iii) Due to be settled within twelve months after the reporting period, or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are treated as non-current.

**e) Use of accounting Estimates and Judgments:**

The preparation of the standalone financial statements in conformity with Ind AS requires Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

The areas involving critical estimates or judgments are:

- Estimation of Useful life of Property, plant and equipment and intangibles (Note 3.(a) & (b))
- Estimation of impairment (Note 3(d))
- Leases (Note 3(e))
- Recognition of deferred taxes ( Note 3(j))
- Estimation of provision (Note 3(l))

**3. Material Accounting Policies**

**a) Property, Plant and Equipment & Depreciation**

- i. Items of property, plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises of purchase price and any attributable cost of bringing the assets to its working condition for its intended use.
- ii. Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.
- iii. Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- iv. Expenditure incurred on startup and commissioning of the project and/or substantial expansion, including the expenditure incurred on trial runs (net of trial run receipts, if any) up to the date of commencement of commercial production are capitalized. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- v. Any gain or loss on disposal of an item of property plant & equipment is recognized in statement of profit & loss account.
- vi. Advances paid towards acquisition of property, plant and equipment outstanding at each Balance Sheet date, are shown under other non-current assets and cost of assets not ready for intended use before the year end, are shown as capital work-in-progress.

- vii. Depreciation is calculated on items of property, plant and equipment less their estimated residual values over their estimated useful lives using the Straight-Line Method (SLM) prescribed in Schedule II of the Companies Act 2013, with exception of those assets whose useful life is ascertain by the management. Freehold land is not depreciated.
- viii. Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.
- ix. The Company follows the policy of charging depreciation on pro-rate basis on the assets acquired or disposed of during the year.

Estimated useful life considered during the year is as follows:

Assets Description	Management estimate of useful life	Useful life as per schedule II
<b>Buildings</b>		
Borewells	-	-
Factory buildings	30	30
Roads	-	-
Non factory buildings	-	-
<b>Plant and Equipment</b>		
Process Machinery	8-20	8-20
Lab Equipments	8-20	8-20
Others	20	20
Furniture & Fixtures	10	10
Vehicles	-	-
Office Equipment	05	05
<b>Data Processing equipment</b>		
Servers	06	06
Computers & Peripherals	03	03

#### b) Intangible Assets

Intangible assets are recognized when it is probable that the future economic benefits attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. Intangible Assets are stated at cost less accumulated amortization. Cost includes only such expenditure that is directly attributable to making the asset ready for its intended use. Intangible assets are amortized over their useful life. Expenditure on research and development eligible for capitalization are carried as Intangible assets under development where such assets are not yet ready for their intended use. Intangible Assets include capitalized expenditure on filing and registration of any patents or any other significant amount incurred, which are in respect of products for which commercial value has been established by virtue of third-party agreements / arrangements. Amortization of capitalized development expenditure is recognized on a straight-line basis, over the useful life of the asset. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

**c) Research and Development Research:**

All expenditure on research activities is recognized in the Profit and Loss Statement when incurred.

**Development:**

Expenditure on development activities is also recognized in the Profit and Loss Statement in the year such expenditure is incurred. However, development expenditure is capitalized only in cases where such costs can be measured reliably, the technological feasibility has been established in respect of the product or process for which costs are incurred, future economic benefits are probable, and the Company intends to and has sufficient resources to complete development and to use or sell the asset. Payments to third parties that generally take the form of up-front payments and milestones for in-licensed product are capitalized. The Company's criteria for capitalization of such assets are consistent with the guidance given in paragraph 25 of Ind AS 38 (receipt of economic benefit out of the separately purchased transaction is considered to be probable).

Acquired research and development intangible assets that are under development are recognized as Intangible Assets under Development. These assets are not amortized, but evaluated for potential impairment on an annual basis or when there are indications that the carrying value may not be recoverable. Where a determination of impairment in respect of any such asset is made, the impairment of such asset is recognized in the Profit and Loss Statement in the year in which such determination is made. Where a determination is made to the effect that future economic benefits are probable, the total cost is capitalized in the year in which such determination is made. Amortization of capitalized development expenditure is recognized on a straight-line basis, over the useful life of the asset.

**d) Impairment of Assets:**

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable value being higher of value in use and fair value less cost of disposal. Value in use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized as an expense in the Profit and Loss Account in the year in which an asset is identified as impaired.

**e) Leases**

The Company assesses whether a contract contains a lease, at the inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control use of an identified asset, the Company assesses whether:

- a) The contract involves use of an identified asset;
- b) The Company has substantially all the economic benefits from the use of the asset through the period of lease; and
- c) The Company has the right to direct the use of an asset.

At the date of commencement of lease, the Company recognizes a Right-of-use asset ("ROU") and a corresponding liability for all lease arrangements in which it is a lessee, except for leases with the term of twelve months or less (short term leases) and low value leases. For short term and low value leases, the Company recognizes the lease payment as an operating expense on straight line basis over the term of lease.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's borrowing rate. Generally, the company uses its borrowing rate as the discount rate. Lease payments are included in the measurement of the lease liability

**f) Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Company deploys revenue recognition both as (a) over a period of time, and (b) at a point of time, as considered appropriate to the nature of product / service delivered to the customer.

Company determines the performance obligations, considering the nature and scope of each contract.

**i. Development Revenue**

Development revenues are recognized over the time period of the development activity and are recognized on the completion of each milestone as per term of the agreement.

**ii. Sale of products:**

Revenue is recognised when a promise in a customer contract (performance obligation) has been satisfied by transferring control over the promised goods to the customer. Control over a promised goods refers to the ability to direct the use of, and obtain substantially all of the remaining benefits from, those goods. Control is usually transferred upon shipment, delivery to, upon receipt of goods by the customer, in accordance with the delivery and acceptance terms agreed with the customers. The amount of revenue to be recognised (transaction price) is based on the consideration expected to be received in exchange for goods, excluding amounts collected on behalf of third parties such as goods and services tax or other taxes directly linked to sales. If a contract contains more than one performance obligation, the transaction price is allocated to each performance obligation based on their relative stand-alone selling prices. Revenue from product sales is recorded net of allowances for estimated rebates, cash discounts, all of which are established at the time of sale and product returns.

**ii. Other Income and expense**

Interest Income or expense is recognized using the Effective interest rate (EIR) method.

**g) Foreign Currency Transactions/Translations:**

**Initial Recognition**

Foreign Currency transactions are recorded in the reporting currency, by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the Transaction.

**Translations**

Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

**Exchange Differences**

The exchange difference arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous financial statements, are recognised in the Statement of Profit and Loss in the period in which they arise as income or as expense.

**h) Borrowing Costs**

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

**i) Financial Instrument:**

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

**I. Financial Asset:**

**Initial recognition and measurement**

All financial instruments are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through P&L, transaction costs that are attributable to the acquisition of the financial asset, purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place are recognized on the trade date i.e. the date that the company commits to purchase or sell the asset.

**Subsequent Measurement**

For the purpose of subsequent measurement financial assets are classified as measured at:

- Amortised cost
- Fair value through profit and loss (FVTPL)
- Fair value through other comprehensive income (FVOCI).

#### **Financial Asset measured at amortized cost**

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss. The company while applying above criteria has classified the following at amortized cost:

- Trade receivables
- Other financial assets

#### **Financial Assets Measured at fair value through other comprehensive income (FVTOCL)**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

#### **Financial Assets at fair value through profit or loss (FVTPL)**

Financial Assets are measured at Fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of Profit & Loss.

#### **De-recognition of Financial Assets:**

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured on the date of recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognized in the statement of Profit & Loss.

#### **Impairment of Financial Assets:**

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model by adopting the simplified approach using a provision matrix reflecting current condition and forecasts of future economic conditions for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Lease receivables under Ind AS 17.
- Trade receivables or any contractual right to receive cash or another financial asset.

## II. Financial Liability

### Initial recognition and measurement

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

### Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

### Financial Liabilities at amortized cost:

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between the initial amount and the maturity amount.

The company is classifying the following under amortized cost

- Borrowings from others
- Trade payables
- Other Financial liabilities

### Derecognition:

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

### j) Taxes on Income:

Income tax comprises of current and deferred income tax. Income tax expense is recognised in statement of profit and loss except to the extent that it relates to an item recognised directly in equity in which case it is recognised in other comprehensive income. Income tax for current year and prior periods is recognised at the amount expected to be paid or recovered from the tax authorities, using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to off-set the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred income tax assets and liabilities are recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when:

— temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of transaction; and

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax assets (DTA) include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability.

Deferred income tax assets and liabilities are measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or substantive enactment date. A deferred income tax assets is recognised to the extent it is probable that future taxable income will be available against which the deductible temporary timing differences and tax losses can be utilised. The Company offsets income-tax assets and liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Unrecognized deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

**k) Employee Benefits:**

**i. Short term employee benefits**

All employee benefits falling due within twelve months from the end of the period in which the employees render the related services are classified as short-term employee benefits, which include benefits like salaries, wages, short term compensated absences, performance incentives, etc. and are recognised as expenses in the period in which the employee renders the related service and measured accordingly.

**ii. Post-employment benefits:**

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:"

**Defined Contribution plans**

Contribution towards Provident Fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution schemes as the Company does not carry any further obligations, apart from the Contributions made on a monthly basis.

**Defined benefit plans**

Gratuity liability is defined benefit obligation and is provided on the basis of an actuarial valuation on projected unit credit method made at the end of each year. Presently, the gratuity is non-funded.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI). Net interest expense

(income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

**l) Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. If effect of the time value of money is material, provisions are discounted using an appropriate discount rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Contingent Liabilities are not recognised but are disclosed in the notes.

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claims/litigations against the Company as it is not possible to predict the outcome of the pending matters with accuracy.

**m) Earnings per share**

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares.

**n) Cash flow Statement**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**o) Cash and Cash Equivalent**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk. Cash flow statement is prepared under the indirect method as per Ind AS 7, For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits.

**p) Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

**q) Recent accounting pronouncements:**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2024, MCA had not notified any new standards or amendments to the existing standards applicable to the Company.

	35,61,89,801	-	1,97,19,304	37,59,09,105

**Level 1:** Hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds, ETFs and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

**Valuation technique used to determine fair value:**

1. The use of quoted market prices or dealer quotes for similar instruments.
2. The fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves.
3. The fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date

**1. Financial Risk Management**

The Company's activities expose it to a variety of financial risks such as Market Risk, Credit Risk and Liquidity Risk. The Company focuses on minimizing potential adverse effect on its financial performance.

**(A) Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The changes in the values of financial assets /liability may result from change in the foreign currency exchange rates (Foreign Currency Risk), change in interest rates (Cash flow & interest rate risk), and change in price of investments (Price Risk).

**(i) Foreign Currency Risk**

The Company does not operate internationally, however it is exposed to foreign exchange risk through importing services & rendering services in foreign currency. However, the company has no Forward/hedge agreements.

**(ii) Interest Rate Risk**

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest expenses/ income and to manage the interest rate risk, the Company manage its interest rate risk by having portfolio of fixed / variable interest rate on long / short term borrowings. The analysis is prepared assuming the amount of liability outstanding at the end of the reporting period is average weighted balance of the respective reporting period.

According to the Company, interest rate risk exposure is only for floating rate borrowings. Since we don't have floating rate borrowings both in the current year and previous year disclosure is not applicable.

**(iii) Price Risk**

Company does not have any exposure to price risk, as there is no market based equity instrument made by the Company.

**(B) Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises from its operation activity primarily from trade receivable. Customer credit risk is controlled by analysis of credit limit and credit worthiness of the customer on a continuous basis to whom the credit has been granted. Long outstanding receivables from customer are regularly monitored to mitigate the risk of liquidity

**(C) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations of its financial liability. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for paying liability when they are due, under normal and stressed condition without incurring losses and risk.

**Maturity profile of loans and financial liabilities as on March 31, 2024**

**32 Capital Management**

The Company's objectives when managing capital are to

i) Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders.

ii) Maintain an optimal capital structure to reduce the cost of capital.

Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by total 'equity' (as shown in the balance sheet)

Particulars	31.03.2024	31.03.2023
Net Debt	1,59,58,465	34,60,29,631
Total Equity	22,38,94,583	(11,54,75,234)

Dear Sirs,

**Re: Audit of financial statements as at and for the year ended 31.03.2024**

This representation letter is provided in connection with your audit of the financial statements of Sravati Advance Process Technologies Private Limited ("the Company") as at **March 31, 2024** and for the year then ended. We recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of in all material respects, the financial position of the company as of **March 31, 2024** and of its financial performance and its cash flows for the year then ended in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act 2013 ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, which involves an examination of the accounting system, internal financial control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves

**A. Financial Statements and Financial Records**

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement, for the preparation of the financial statements in accordance with the accounting principles generally accepted in India ("Indian GAAP") and as per the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 4 of the Companies (Accounts) Rules, 2015 as amended by Companies (Indian Accounting Standards) Amendment rules, 2016 to the extent applicable and other relevant provision of the Act, pronouncements of the regulatory bodies applicable to the Company.
2. The financial statements have been prepared on going concern and accrual basis and the accounting policies have been consistently applied.
3. The financial statements have been prepared to comply in all material aspects with applicable accounting principles and Indian Accounting Standards (IND-AS) in India and as notified under the Companies Act, 2013 and the other relevant provisions of the Act.

**Sravathi Advance Process Technologies Pvt Ltd,**

Ground Floor, No 63-B, Bomasandra Industrial Area, Attibele Hobli, Anekal Taluk, Bengaluru - 560099

4. The Company's Board of Directors have fulfilled their responsibility for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company and are free of material misstatements, including omissions. We have prepared the financial statements and the same have been approved by Audit Committee for submission to the Board of Directors.

As members of management of the Company, we believe that the Company's internal financial controls have been adequately designed, implemented, maintained and were operating effectively to enable the preparation and presentation of accurate and complete financial statements in accordance with Indian GAAP/applicable financial reporting framework that are free from material misstatement, whether due to fraud or error.

## **B. Fraud**

1. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect any fraud and error.
2. We have no knowledge of any fraud or suspected fraud during the year involving management or other employees who have a significant role in the Company's internal controls over financial reporting. In addition, we have no knowledge of any fraud or suspected fraud involving other employees in which the fraud could have a material effect on the financial statements. We have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, which could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Company.
3. There were no instances of fraud resulting in a material misstatement of the company's financial statements and any other fraud that does not result in a material misstatement to the company's financial statements but involves senior management or management or other employees who have a significant role in the company's internal financial controls.
4. We are aware, in accordance with Section 143(12) of the Act read with Rule 13 of the Companies (Audit and Auditors) Rules, 2014, that the Board or the Audit Committee is required to consider the report of the auditor and respond on the matter reported within 45 days of the date of the report of the auditor. We have not withheld from you any relevant information that we are aware of and would have an implication on the process of your responsibilities to report fraud under the statute.

### C. Compliance with Laws and Regulations

1. We are not aware of any actual or suspected non-compliance with laws and regulations which can have a material impact in the preparation of the financial statements.
2. We are unaware of any known or probable instances of non-compliance with the requirements of regulatory or governmental authorities, including their financial reporting requirements, and there have been no communications from regulatory agencies or government representatives concerning investigations or allegations of non-compliance or deficiencies in financial reporting practices, except as follows:
  - a. Matters of routine, normal, recurring nature (e.g., examinations by bank and insurance examiners, examinations by taxing authorities,) none of which involves any allegations of noncompliance with laws or regulations that should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
3. To the best of our knowledge and belief, the Company has not made any improper payments or payments which are illegal or against any regulations or any laws in India.
4. The Company has complied with all aspects of contractual agreements which could have a material effect on the financial statements in the event of non-compliance. There has been no non-compliance with requirements of regulatory authorities that could have a material effect on the financial statements in the event of non-compliance.

### D. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
  - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters
  - Additional information that you have requested from us for the purpose of the audit and
  - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence [as well as to our affiliates, records, their personnel and their auditors for purposes of the audit of financial statements]; and

### E. Accounting Policies:

1. The accounting policies and practices which are material or critical in determining the results of operations for the year or financial position are disclosed in the financial statements. These accounting policies are consistent with those adopted in the financial statements for the previous year. The financial statements are prepared on accrual basis.
2. We have no plans or intentions of disposing off or selling any investments in subsidiaries that may materially affect the carrying value or classification of assets and liabilities.

### F. Classification of Assets and Liabilities as Current and Non-current

All assets and liabilities have been classified as current and non-current based on the nature of product and activities of the Company and their realization in cash and cash equivalent. The Company has determined its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

**G. Internal Financial Control Structure:**

1. All material transactions have been recorded in the accounting records and are reflected in the audited financial statements.
2. As required under section 134(5) of the Act, we are responsible for establishing and maintaining adequate and effective internal financial controls and the preparation and presentation of the financial statements as set out in the terms of the audit engagement.
3. There is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. There is no failure to correct any major weakness in internal control system.
4. The company is not obligated to have an Internal Audit system for the year under audit.

**H. Registers, Minutes and Contracts:**

1. The Minutes of the meetings of the Shareholders and Directors and the Registers required to be maintained under the Companies Act are complete and authentic.
2. We have made available to you all significant registers, contracts and agreements. Further we have made available to you all minutes of the meetings of shareholders, directors and committees of directors held through the **2023-24** to the most recent meeting on the following date:
3. All matters required to be recorded in the registers and minute books of the Company have been, and are, recorded correctly.
4. We have disclosed to you, and the Company has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt. There has been no breach of any covenant attached to the borrowings.

**I. Ownership and Pledging of Assets:**

The Company has satisfactory title to all assets appearing in the balance sheet, and there are no liens or encumbrances on the Company's assets, nor has any asset been pledged as collateral, other than those that are disclosed in the financial statements. All assets to which the Company has satisfactory title appear in the balance sheet.

**J. Related Party Disclosures:**

1. We confirm the completeness of the list of related parties and relationships as stated in **note 40** of the financial statements, and information provided regarding the identification of such related parties. We have disclosed to you the identity of the Company's related parties and all related parties and related party transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period

ended, as well as related balances due to or from such parties at the 31.03.2024. These transactions have been appropriately accounted for and disclosed in the standalone financial statements in accordance with AS-18 'Related Party Disclosures'.

2. The Company has obtained necessary approvals in respect of all transactions or contract or arrangement with a related party, in accordance with relevant provisions of the Companies Act 2013.

**K. Fixed Assets and Intangibles:**

1. No events or changes in circumstances have occurred that indicate the carrying amounts of fixed assets and intangibles may not be recoverable. Fixed assets and intangibles have been reviewed for impairment whenever events or changes in circumstances have indicated that their carrying amounts may not be recoverable. If the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. The impairment loss is recognised as an expense in the statement of profit and loss.
2. We have depreciated the assets on the basis of estimated useful life prescribed under the Companies Act, 2013 and where ever there is a change in the useful life it is based on the technical advice of the concerned department.
3. There were no outstanding commitments for capital expenditure in the financial statements.
4. Fixed assets disposed off during the year have not affected the going concern assumption for preparation of financial statements.
5. The company was previously not identifying components of fixed assets separately for depreciation purposes; rather, a single useful life/ depreciation rate was used to depreciate each item of fixed asset. Due to application of Schedule II to the Companies Act, 2013, the company has changed the manner of depreciation for its fixed assets. Now, the company identifies and determines separate useful life for each major component of the fixed asset, if they have useful life that is materially different from that of the remaining asset.

The company has adopted Schedule II to the Companies Act, 2013, for depreciation purposes. All repair and maintenance, including major inspection/ overhaul, costs are recognized in profit or loss as incurred.

6. There are no projects temporarily suspended by the company as at the year end.
7. The Company has not carried out any revaluation of its assets during the year.

**L. Investments:**

The company does not hold any investment as at the balance sheet date.

**M. Inventories:**

The Company does not hold any inventories as at the year end.

**N. Trade Receivables, Other Assets and Loans and Advances:**

1. Adequate provision has been made for allowances, losses, returns, discounts, costs, and expenses that may be incurred after the date of Balance Sheet in respect of sales and services rendered prior to that and for uncollectible/irrecoverable accounts.
2. The Company has not directly or indirectly, advanced any loan, including any loan represented by a book debt, to any of its directors or to any other person in whom the director is interested, as explained in section 185 of the Act, or give any guarantee or provide any security in connection with any loan taken by him or such other person.
3. No loans have been given under section 186 of the Act, at a rate of interest which is prejudicial to the interest of the Company.
4. The Company has maintained adequate records and documents in the register, in respect of loans and advances given, guarantee given or securities provided, and acquisitions made under section 186 of the Act and such register has been updated on periodical basis with required particulars and has been maintained in such manner as prescribed under the Act.

**O. Share Capital:**

1. We have properly recorded or disclosed in the audited financial statements the share capital issued by the Company.
2. We have disclosed the details of shareholders who are holding more than 5% shares in the Company as on the balance sheet date. The said information has been furnished based on the legal ownership of the shares.
3. All Requisite procedures and filing are complied on conversion of Preference Share Capital to Equity Share Capital during the year.
4. Based on the report provided by Mr. Sandesh Dasappa Hegde, the company has converted 39,00,000 preference shares into 26,147 equity shares with a face value of Rs.10 each. These shares were then issued at a premium of Rs.15,250/- to Shilpa Medicare Limited on 21.08.2023.

**P. Borrowings / Advances Granted:**

1. The Company has borrowed Unsecured loans from Directors during the year.
2. The Company is regular in making payment towards interest.

**Q. Trade Payables and Other Liabilities:**

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the audited financial statements.
2. The Company is generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth tax, Service tax, Custom Duty, Excise Duty, Value added tax, cess and any other statutory dues with appropriate authorities.

3. There are no amounts of sales tax, income tax, custom duty, wealth tax, service tax, excise duty, value added tax, and cess which have not been deposited by us on account of any dispute(s):
4. The amounts required to be transferred to investor education and protection fund in accordance with the relevant provisions of the Companies Act, 2013 and rules made there under has been transferred to such fund within time.
5. The company has not provided for any interest on balances of trade payables outstanding for more than 45 days based on the historical data where no such claims have been made against the company by any of its vendors / suppliers.
6. The company has trade payables outstanding for more than 45 days towards micro & small enterprises of Rs. 89,00,657/-. In compliance with section 43B (h) of the Income tax act, 1961, The company has disallowed a sum of Rs. 26,70,197/-, being 30 % of the dues to micro & small enterprises.

**R. Provisions, Contingent Liabilities and Commitments:**

1. The Company has provided for Income-tax in respect of its assessable incomes up to and for the year in terms with the Indian Accounting Standard 12 – Taxes on Income. Demands arising from assessments which are the subject matters of appeals, where the liability is considered possible by the management, have been shown as Contingent Liabilities in the financial statements.
2. We have disclosed to you all tax opinions, correspondence with tax authorities, or other appropriate information that served as support for the accounting for potentially material matters.
3. We have informed you of all outstanding and possible litigation and claims. All cases where outflow of economic resources is possible have been appropriately disclosed in the financial statements as contingent liabilities and we are not aware of any other such contingent liabilities.
4. All claims where outflow of economic resources is probable or possible have been properly accrued or disclosed respectively in the audited financial statements. No other claims in connection with litigation have been or are expected to be received.
5. There are no non-cancellable commitments except for interest rate derivatives as at the balance sheet date, which are either material to the financial statements or are relevant in understanding the financial statements or may impact the decision making of the users of the financial statements, other than those disclosed in the audited financial statements.
