

INDEPENDENT AUDITOR'S REPORT

To
The Members of Shilpa Lifesciences Private Limited

Report on the Audit of the financial statements

Opinion

We have audited the financial statements of Shilpa Lifesciences Private Limited ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its losses, total comprehensive losses, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information Other than the financial statements and Auditor's Report

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other sections of Annual Report (other than those mentioned above), if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the applicable laws and regulations.

Management's Responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss (Incl. Comprehensive Income), the Statement of Cash Flows and the Statement of changes in Equity dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) Since the Company's turnover as per the last audited financial statements is less than Rs.50 Crores and its borrowing from banks or financial institutions or any Body Corporate at any time during the year is less than Rs.25 Crores, the Company is exempted from getting report of the auditor with respect to existence of internal financial controls with reference to financial statements of the company and its operating effectiveness of such controls vide notification dated 13th June 2017.

2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a) The Company does not have any pending litigations which would impact its financial position.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d) (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other

BOHARA BHANDARI BUNG & ASSOCIATES LLP
CHARTERED ACCOUNTANTS

person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

- e) The company has not paid any dividend during the year.
- f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

3. Matter to be included in the Auditors' Report under Section 197(16) is applicable only to a public limited Company and not to a private limited company. Hence, not commented.

Total			25,098,590	25,098,590
* Since all the Financial Assets & Financial liabilities are measured at amortised cost, fair value hierarchy is not provided				

Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

- Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

16 Financial Risk Management

The Company's activities expose it to a variety of financial risks such as Market Risk, Credit Risk and Liquidity Risk. The Company focuses on

(A) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The changes in the values of financial assets / liability may result from change in the foreign currency exchange rates (Foreign Currency Risk), change in interest rates (Cash flow & interest rate risk), and change in price of investments (Price Risk).

(i) Foreign Currency Risk

The Company does not operate internationally. Hence, the company is not exposed to foreign risk.

Particulars	31-Mar-23			31-Mar-22		
	USD	EURO	CHF	USD	EURO	CHF
Financial Assets						
Other financial assets	-	-	-	-	-	-
Financial liabilities						
Trade payables	-	-	-	-	-	-
Total	-	-	-	-	-	-

(ii) Interest Rate Risk

During the period the Company has not paid any interest, hence it is not exposed to Interest risk

(iii) Price Risk

Company does not have any exposure to price risk, as there is no market based equity instrument made by the Company.

(B) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises from its operation activity primarily from trade receivable and from its financial activity. Customer credit risk is controlled by analysis of credit limit and credit worthiness of the customer on a continuous basis to whom the credit has been granted.

Long outstanding receivables from customers are regularly monitored with appropriate follow up actions. The maximum exposure to credit risk at the reporting date is the carrying value of trade and other receivables.

(C) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations of its financial liability. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for making payment towards liability when they are due, under normal and stressed condition without incurring losses and risk.

The financial needs are taken care by the Holding Company and that there are no outside liabilities hence no liquidity risk is perceived.

17 Capital Management

The Company's objectives when managing capital are to:

i) Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders.

ii) Maintain an optimal capital structure to reduce the cost of capital.

Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by total 'equity' (as shown in the balance sheet)

Particlars	31-Mar-23	31-Mar-22
Net Debt	25,308,028	24,525,000
Total Equity	61,736	84,885
Debt Equity Ratio	409.94	288.92

- 18 In the opinion of the Board, all assets other than fixed assets, have a realisable value in the ordinary course of business which is not different from the amount at which it is stated.

Other Statutory Information

- 19 **Title deeds of immovable properties**
The company does not own any immovable properties during the year.
- 20 **Loans or advances to specified persons**
No loans or advances in the nature of loans are granted to promoters, directors, KMPS and the related parties (as defined under Companies Act, 2013,) either severally or jointly with any other person, that are repayable on demand or without specifying any terms or period of repayment.
- 21 **Details of benami property held**
No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- 22 **Wilful defaulter**
The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- 23 **Relationship with struck off companies**
The Company has no transactions with the companies struck off under Section 248 of the Companies Act, 2013 or Section 560 of the Companies Act, 1956.
- 24 **Registration of charges or satisfaction with Registrar of Companies (ROC)**
There are no charges or satisfaction which are yet to be registered with the Registrar of Companies beyond the statutory period.
- 25 **Compliance with approved scheme(s) of arrangements**
The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.
- 26 **Utilisation of borrowed funds and share premium**
No funds have been advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries). The Company has not received any fund from any party(s) (Funding Party) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- 27 **Valuation of PP&E, intangible asset and investment property**
As the Company is not holding any PPE, Intangible Assets or investment property both in the current and previous year disclosure under this clause is not applicable.
- 25 **Compliance with number of layers of companies**
The Company has complied with the number of layers prescribed under the Section 2(87) of the Companies Act, 2013 read with Companies (Restriction on number of layers) Rules, 2017.
- 26 **Undisclosed income**
There is no income surrendered or disclosed as income during the current or previous year in the tax assessments under the Income Tax Act, 1961. that has not been recorded previously in the books of account.
- 27 **Details of crypto currency or virtual currency**
The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.
- 28 **Utilisation of borrowings availed from banks and financial institutions**
There is no borrowings taken by the company from any banks or financial institutions during the current or previous year.
- 29 All Figures have been rounded off to the nearest rupees.
- 30 Previous year figures have been regrouped / reclassified/ rearranged wherever necessary to correspond with current year classification / disclosure.

The accompanying significant accounting policies and notes form an integral part of the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

CORPORATE INFORMATION

Shilpa Lifesciences Private Limited is a Private Limited Company incorporated on 20/07/2021, with its registered office at 12-6-214/A-1, Shilpa House Hyderabad Road, RAICHUR -584135 Karnataka. Presently, the Company is engaged in the business of Biotechnology using sophisticated technology meticulously in order to comply with laid down international standards/specifications. The company is a wholly owned subsidiary of Shilpa Pharma Lifesciences Limited. Further, the company is under the erection as at the balance sheet date.

1. Basis of Preparation

- I. These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act 2013 read together with the Rule 4 of Companies (Indian Accounting Standards) Rules, 2015 to the extent applicable and the other relevant provisions and presentation requirements of Division II of Schedule III to the Act, as applicable.

The financial statements of the Company for the year ended March 31, 2023 were approved by the Board of Directors on 19/05/2023.

- II. The financial statements have been prepared to comply in all material aspects with applicable accounting principal in India and as notified under the Companies Act, 2013 and the other relevant provisions of the Act.
- III. The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities as specified and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS.

1.1 Significant Accounting Policies

a) Functional and Presentation currency:

These financial statements are presented in Indian rupees ("INR") which is also the Company's functional currency. All amounts have been reported in Indian Rupees, except for share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

b) Critical accounting Estimates and Judgements:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Revisions to accounting estimates are recognised prospectively. The changes in the estimates are reflected in the Standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Standalone financial statements.

The areas involving critical estimates or judgments are:

- Estimation of Useful life of Property, plant and equipment and intangibles (Note 1.1 (c) & (d))
- Estimation of impairment (Note 1.1(e))
- Measurement of defined benefit obligation (Note 1.1 (g))
- Recognition of deferred taxes (Note 1.1(k))
- Provision for income taxes and related tax contingencies. (Note 1.1(k))
- Estimation of provision and contingent liabilities (Note 1.1(l))

c) Property, Plant and Equipment & Depreciation:

- i. Items of property, plant and equipment are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises of purchase price and any attributable cost of bringing the assets to its working condition for its intended use.
- ii. Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest. Capital work-in-progress (CWIP) includes cost of property, plant and equipment under installation/under development as at the balance sheet date. Directly attributable expenditure (including finance costs relating to borrowed funds/general borrowings for construction or acquisition of property, plant and equipment) incurred on project under implementation are treated as pre-operative expenses pending allocation to the asset and are shown under CWIP.
- iii. Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- iv. Depreciation on Fixed Assets is provided on ascertain useful life of assets under Straight Line Method (SLM) prescribed in Schedule II of the Companies act-2013, with exception of those assets whose useful life is ascertain by the management.
- v. The Company follows the policy of charging depreciation on pro-rate basis on the assets acquired or disposed off during the year.
- vi. The Company, based on technical assessment / management estimate, depreciates all items of property plant and equipment over estimated useful lives which may be different from the useful life prescribed in schedule II to the Companies Act. 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the property, plant and Equipment are likely to be used. Residual value on property, plant and equipment has been estimated at 5% of the cost, specified in Schedule II of the Act.
- vii. The property, plant and Equipment's residual values, useful life is reviewed at each financial year and adjusted prospectively, if appropriate. The useful lives and residual values are determined by the management at the time the Property, Plant and Equipment is acquired and reviewed periodically, including at each financial year end. These lives are based on historical experience with similar property, plant and Equipment as well as anticipation of future events.
- viii. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under "Other Non-current Assets."

d) Intangible Assets:

Intangible Assets are stated at cost less accumulated amortization. Cost includes any expenditure directly attributable on making the asset ready for its intended use.

Intangible assets are amortized over their useful life.

e) Impairment of Assets:

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable value being higher of value in use and fair value less cost of disposal. Value in use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized as an expense in the Profit and Loss Account in the year in which an asset is identified as impaired.

f) Inventory:

Inventories are valued at the lower of cost and net realisable value. The cost is determined on FIFO basis. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition.

g) Employee Benefits:

Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined Contribution plans

Contribution towards Provident Fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution schemes as the Company does not carry any further obligations, apart from the Contributions made on a monthly basis.

Defined benefit plans

Gratuity liability is defined benefit obligation and is provided on the basis of an actuarial valuation on projected unit credit method made at the end of each year.

The Company commenced its business w.e.f 20/07/2021. In respect of long term benefits such as gratuity this would be applicable only subject to completion of minimum of 5 years of continuous service by the employees. As and how this would be applicable the Company would provide for the same.

h) Leases

Company as a lessee

The company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The company presents right-of-use assets that do not meet the definition of investment property in 'property, plant and equipment' and lease liabilities in 'loans and borrowings' in the statement of financial position.

Short-term leases and leases of low-value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

i) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

(i) Sale of products:

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume

rebates and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, etc.

(ii) Fees and commission Income:

Fees and commission income is generally recognised when the related services are provided or on execution of a significant act. Fees charged for support services are recognised as revenue as and when the service is provided.

(iii) Other Income

- i. Interest Income is recognized using the Effective interest rate (EIR) method.

j) Financial Instrument:

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

(I) Financial Asset:

Initial recognition and measurement

All financial instruments are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through P&L, transaction costs that are attributable to the acquisition of the financial asset, purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place are recognized on the trade date i.e. the date that the company commits to purchase or sell the asset.

Subsequent Measurement

For the purpose of subsequent measurement financial assets are classified as measured at:

- Amortised cost
- Fair value through profit and loss (FVTPL)
- Fair value through other comprehensive income (FVOCI).

(a) Financial Asset measured at amortized cost

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss. The company while applying above criteria has classified the following at amortized cost:

- (a) Trade receivables
- (b) Loans
- (c) Other financial assets

(b) Financial Assets Measured at fair value through other comprehensive income

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(c) Financial Assets at fair value through profit or loss (FVTPL)

Financial Asset are measured at Fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of Profit & Loss.

Equity Instruments

All investments in equity instruments classified under financial assets are initially measured at fair value, the group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

De-recognition of Financial Assets:

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured on the date of recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognized in the statement of Profit & Loss.

Impairment of Financial Assets:

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model by adopting the simplified approach using a provision matrix reflecting current condition and forecasts of future economic conditions for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (a) Financial Assets that are debt instruments, and are measured at amortized cost e.g. loans, debt securities, deposits, trade receivables and bank balance
- (b) Financial Assets that are debt instruments and are measured at FVTOCI.
- (c) Lease receivables under Ind AS 17.
- (d) Trade receivables or any contractual right to receive cash or another financial asset
- (e) Loan commitments which are not measured at FVTPL
- (f) Financial guarantee contracts which are not measured at FVTPL

(II) Financial Liability

Initial recognition and measurement

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Financial Liabilities at amortized cost:

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between the initial amount and the maturity amount.

The company is classifying the following under amortized cost

- Borrowings from banks
- Borrowings from others
- Trade payables
- Other Financial Liabilities

Derecognition:

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

k) Taxes on Income:

Tax expense comprises of current and deferred tax.

- i. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Tax Act based on tax rates and laws that are enacted at the Balance sheet date. The effective rate of the Company for the year is 26%.
- ii. Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised.

- iii. Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss account as current tax. The Company recognizes MAT credit available as an asset to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss account and shown as "MAT Credit Entitlement".

l) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. If effect of the time value of money is material, provisions are discounted using an appropriate discount rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the Standalone financial statements

m) Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

Other borrowings costs are expensed in the period in which they are incurred.

n) Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

o) Cash Flow Statements

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

p) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, short-term deposits and other short-term highly liquid investments with an original maturity of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purposes of the presentation of cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft as they being considered as integral part of the Company's cash management system.

q) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the Consolidated balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

r) Recent accounting pronouncements:

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, the MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2015, by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1, Presentation of Financial Statements – Companies are now required to disclose material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general-purpose financial statements.

Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors – The amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates.

Ind AS 12, Income Taxes – This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023.

The Company has evaluated the effect of the above on the financial statements and the impact is not material.
